HEADACHES

Thousands of men and women suffer from headaches every day, other thousands have headaches every week or every month, and still others have headaches occasionally, but not at regular intervals. The best Doctor is often unable to find the cause of many of these headaches, and in most other cases, knowing the cause, be does not know what will remove it, so as to give a permanent cure. All he can do is to prescribe the usual pain relievers, which give temporary relief, but the headache returns as usual, and treatment is again necessary. If you suffer from headaches, no matter what their nature, take anti-kamina tablets, and the results will be satisfactory in the highest degree. You can obtain them at all druggists in any quantity, loc worth, 25c worth or more. Ask for A-K Tablets.

SICK-HEADACHES

SICK-HEADACHES Sick-headache, the most miserable of all sick-nesses, loses its terrors when A-K Tablets are taken. When you feel an attack coming on take two tablets, and in many cases, the attack will be warded off. During an attack take one A-K Tablet every two hours. The rest and comfort which follow, can be obtained in no other way. Genuine A-K Tablets bear the K mono-
